

PUBLIC HEALTH NURSE / OPIOID STRATEGIST

Buena Vista Public Health and Home Care is seeking a **full-time Registered Nurse** to join our team as a Public Health Nurse / Opioid Strategist.

This position offers an opportunity to make a meaningful difference in our community through **opioid prevention, chronic illness prevention, health education, and overall community health promotion**. Approximately 25% of the position is supported through opioid settlement funding.

Responsibilities include developing and implementing community health programs, providing health education, engaging residents, and building partnerships with healthcare providers, schools, behavioral health organizations, community agencies, and other local stakeholders. The position will also help develop and support **community coalitions and collaborative strategies** addressing opioid prevention and other community health priorities.

The ideal candidate is a **licensed Iowa RN** who is passionate about prevention, enjoys community engagement, and is interested in developing innovative programs and partnerships that improve the health of Buena Vista County.

Competitive salary and county benefits package offered.

Minimum qualification: Current Iowa Registered Nurse (RN) license. Public health, community health, health education, or substance-use prevention experience is preferred.

Buena Vista Public Health and Home Care is an Equal Opportunity Employer.

To apply: Submit a cover letter and resume to Tracy Gotto at gotto@bvcountyiowa.com or Lacey Anderson at anderson@bvcountyiowa.com.
